

Read your horse's width fitting using the colour coded key.

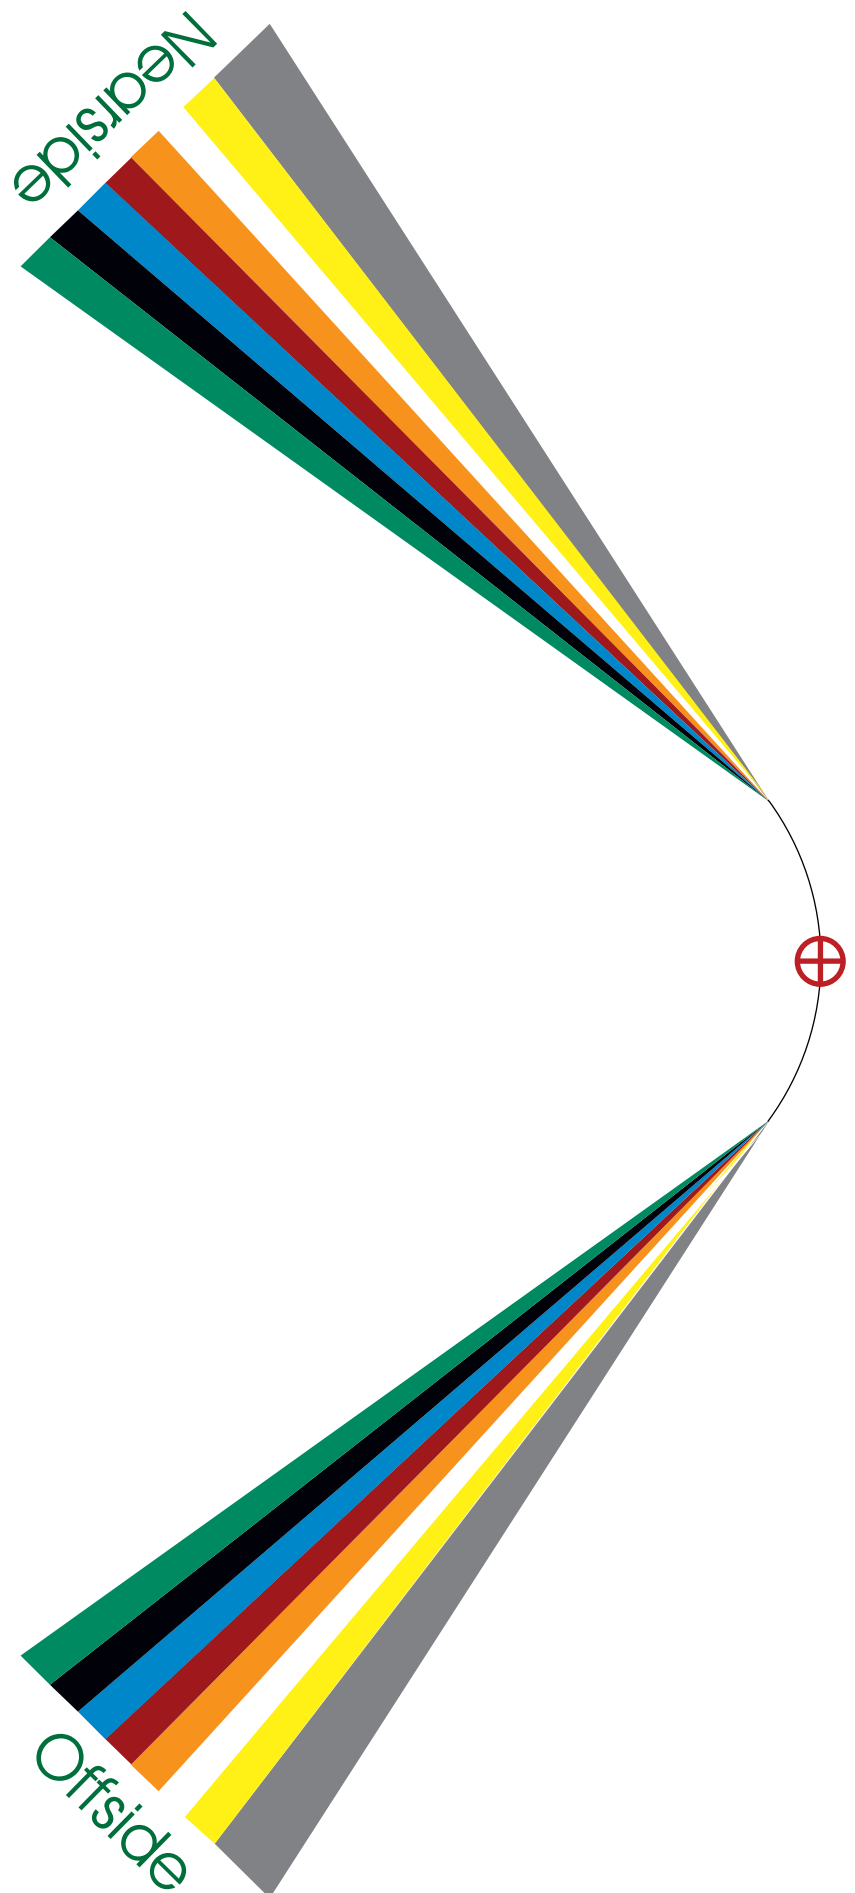

If you are in any doubt consult your local stockist or qualified saddle fitter for more advice.

Gullet Bar Widths:

- XXW*
- XW / XXW
- XW
- W / XW
- W
- M / W
- M
- N / M

NB: There are two gullet bar lengths (R and S type) to suit the specific tree designs.

*The XXW (silver) is available in the S-Bar only.
